*Lyric Author: John Newton / Early American Melody*

1. A — maz — ing — grace! How sweet the sound! That — saved a — wretch like me!  
 2. 'Twas — grace that — taught my heart to fear, And — grace my — fears re — lieved.  
 3. Thro' — man — y — dan — gers, toils, and snares I — have al — ready come.  
 4. When — we've been — there ten thou — sand years, Bright, — shin — ing — as the sun,

I — once was — lost but — now am found; Was — blind, but — now I see.  
 How pre — cious — did that — grace ap — pear The — hour I — first be — lieved!  
 'Tis grace hath — brought me — safe thus far, And — grace will — lead me home.  
 We've no less — days to — sing God's praise Than — when we — first be — gun.
